**W**e are pleased to offer a list of healthcare professionals; provided by the *Houston Medical Forum* and the *Houston Association of Black Psychologists (HABPsi)*. This Medical Resource Guide is offered as an easy reference tool in searching for a Physician and/ or Mental Health Practitioner in the Houston area.

The Houston Area Urban League has been a key supporter of the Medical Community by providing outreach and education in the areas of Diabetes and Mental Health. In an attempt to continue our efforts in both outreach and education, our organization would like to make available online-resources to assist those in the community we serve.

Many of the Physicians and Mental Health Practitioners listed have supported the Houston Area Urban League in its annual “Take a Loved One to the Doctor Day” campaign, as well as other healthcare initiatives.
