SPONSORSHIP OPPORTUNITIES

For over 54 years, the Houston Area Urban League has been supporting community members in achieving economic self-reliance, parity, power, and civil rights. However, we recognize that we cannot do this important work alone. We are grateful for our partners who are dedicated to advancing equity in areas such as Education, Workforce Development, Housing, Entrepreneurship, Healthy Initiatives, and Social Justice.

As HAUL launches into 55 years of service to the community, we invite you to join us for a dynamic lunch and conversation around advancing equity in 2023 and beyond.
